MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Operations
Director, National Foreign Assessment Center

SUBJECT: FY-80 RD&E Program (U)

1. (C) I want to express my thanks for your inputs to the FY-80 RD&E Program. They will be very helpful in developing a comprehensive RD&E program. These inputs have been forwarded to the appropriate Office Directors for their use in responding to the problems and goals you have described. As I indicated in my earlier memo, I expect their proposals to be coordinated with your staffs around Thanksgiving.

2. (C) I think your inputs will allow us to make the FY-80 program more responsive than in previous years and, with your continued cooperation, will make it even better in the future.

LESLIE C. DIRKS
Deputy Director
for
Science and Technology
